Post 94 Pancake Supper

The American Legion Post 94 Semi-Annual Pancake Supper is October 6. Our Legion will need volunteers to prepare, cook, and serve. But most importantly they need ticket sales. As you are aware our Post is in need of extensive work in the kitchen and bathrooms. Without proceeding with this work we will be limited in our abilities to provide an adequate location. We are proud of our Post and need to keep the building up for our Veterans, members, prospective members, and guest. We are asking you to sell as many tickets as possible. Get out of your comfort zone and ask everyone. What is the worse they can say, no. If they do, say thanks and move on to the next person. Remember our Post gives us meeting space free of charge, let us help them raise the money needed for the repairs.

Service Not Self

This is from National:

Service Not Self is a core value of the American Legion Auxiliary; it motivates our members into action. Last year, the impact of ALA members' mission service exceeded \$1.5 billion - the value of our 15.5 million hours of volunteer service plus all the money raised and spent supporting our veterans and outreach programs. The ALA matters, indeed!

Great Job Ladies!!!!

Please Pray For:

- Joyce Street (strength)
- William Street (health)
- Marlene Upton (health)

- Tangie Harper (health)

Please let us know of anyone we need to add.
